## **VERY IMPORTANT!** **Community Briefing On Route 7 Improvements** **Thursday, October 4th at 7pm.**

75 citizens attended the last meeting back on June 28. The next briefing on Route 7 ROAD IMPROVMENTS will be Thursday, October 4 at 7 p.m. in the Dominion HS Auditorium (DHS is on Augusta Drive north of Route 7 in Sterling) 50 large and small signs are up, the giant cranes have arrived and blinking signs tell drivers about road improvements.

Permits for Phase I of the grading (except for a small area on Augusta) were just approved, so the construction crews will prepare to begin the grading process in the next few days.

A grading permit meeting was held earlier this week and the grading permit is issued for all work areas except the Augusta Drive intersection where the last easement is needed. This will allow erosion and sediment controls work to begin at the Potomac View and Sterling Blvd intersections for work outside the travel lanes.

**What: Route 7 Road Improvements Progress Report**  
**Where: Dominion High School Auditorium (Augusta Drive)**  
**Who: County Staff and Construction Manager**  
**When: Thursday, October 4 at 7 p.m.**
